

JOINT VENTURE AGREEMENT - CONSTRUCTION

THIS JOINT VENTURE AGREEMENT ("Agreement"), made and entered into this 5th day of March, 2008, by and among Kiewit Louisiana Co., (hereinafter called "Kiewit"); Massman Construction Co. (hereinafter called "Massman"); and Traylor Bros., Inc. (hereinafter called "Traylor"), individually referred to as a "Party" and jointly referred to as the "Parties."

This Agreement is made with the following Recitals of facts and objectives as background:

A. Louisiana Department of Transportation, ("Owner") has advertised for a bid for the construction of the Huey P. Long Bridge Widening (Westbank and Eastbank Approaches and Main Bridge Deck Widening), ("Project") on which bids are to be submitted on or about February 20, 2008.

B. The Parties have agreed to form a joint venture ("Joint Venture") to submit a joint bid ("Bid") and, if possible, to obtain a contract ("Prime Contract") with the Owner for the performance of the Prime Contract, including any additions or modifications thereof and completion of the Project (collectively the "Work") and for no other purposes.

C. Each of the Parties to this Agreement is now, and has been, engaged in the construction industry.

D. Each of the Parties to this Agreement acknowledges that each of them possesses skills and expertise unique in the construction industry necessary not only for the formation of this Joint Venture, but for the successful performance and completion of the Work.

E. Each of the Parties to this Agreement acknowledges that by executing this Agreement the Party undertakes and assumes various duties towards performance and completion of the Work which duties, and the performance thereof, are unique to the skills and expertise of the Party.

F. Each of the Parties to this Agreement acknowledges that it has a substantial interest in having each of the other Parties hereto perform their respective unique skills, expertise and duties, all as required for the performance and completion of the Work.

G. The Parties desire to enter into this Agreement in order to fix and define between themselves their respective responsibilities, interests and liabilities in connection with the submission of the Bid and the performance and completion of the Work, in the event the Prime Contract is awarded to them.

NOW, THEREFORE, in consideration of the Premises and in order to consummate the intent of the Parties set forth in the foregoing Recitals, which Recitals are made an integral part of this Agreement, the Parties agree as follows:

ARTICLE I

1. FORMATION OF JOINT VENTURE.

1.1 Formation. The Parties agree to constitute themselves as joint venturers for the purpose of submitting the Bid and for the further purpose of performing and completing the Work in the event that the Prime Contract is awarded to them. The Parties further agree that the Bid, if submitted, and the Work, if the Prime Contract is awarded to them, shall be performed and completed by them as a Joint Venture. The Parties agree that the Joint Venture shall exist as a separate legal entity, distinct from each of the Parties.

1.2 Scope. This Agreement shall extend only to fixing and defining the Parties' responsibilities, interests and liabilities relative to the submission of the Bid and the performance and completion of the Work, and shall have no other purpose.

1.3 Relationship. Nothing contained in this Agreement shall create or be interpreted or construed so as to create any permanent relationship between the Parties or limit their respective rights to carry on their individual businesses for their own benefit, including other work for the Owner which does not relate to the Project.

1.4 Nature of Agreement. Each of the Parties acknowledges and declares that the Project is of a unique nature, taking into account the specifications, the technical and engineering expertise required to construct the Project, certain unique technological, engineering and other features of the Project, the size of the Project and the Work, and the financial commitments by the Parties in respect thereof. Each of the Parties further acknowledges and declares that it is entering into this Agreement with the other Party or Parties because each other Party is uniquely suited to participate in the construction of the Project due to each Party's prior experience in constructing projects of a type generally similar to the Project, including the Parties' unique ability to jointly construct the Project based on the integration among their workforce, financial stability, general compatibility in business ethics and approach to work, experience in bidding and managing work, knowledge of specialty equipment, know-how and other resources required for the efficient, timely, profitable and successful construction of the Project, the liability issues associated with construction of the Project, and the superior skills and experience of the Parties' management and supervisory team assigned to the Project.

1.5 Personal Services Contract. For the reasons set forth herein, it is the Parties' intent that this Agreement and the Parties' rights and obligations thereunder be treated as a personal services contract, which is not assignable, transferable or delegable without the consent of the other Party or Parties, and no Party shall be required to accept or deliver performance to any person or entity other than to each of the Parties hereto.

1.6 Principal Office. The principal office of the Joint Venture shall be located at the Project site or as otherwise determined by the Policy Committee.

1.7 Term. (a) The term of the Joint Venture shall be from the date of this Agreement until terminated and dissolved and the business and affairs of the Joint Venture wound up as provided in this Agreement.

(b) This Agreement and the Joint Venture shall terminate and dissolve automatically and without notice, and the business and affairs of the Joint Venture shall be wound up: (i) in the event that after the conclusion of all bid selection processes, including any bid protest procedures, the award of the Prime Contract is not made to the Joint Venture; or (ii) if the Joint Venture enters into the Prime Contract with the Owner, when all responsibilities of the Joint Venture under the Contract have been fulfilled, all liabilities have ceased, all accounts with the Owner have been settled and all profits, remaining assets of the Joint Venture and other amounts have been distributed to the Parties in accordance with the provisions of this Agreement.

(c) Notwithstanding anything contained herein to the contrary, if claims of any nature or legal action of any type are brought against the Joint Venture or any of the Parties at any time after the Joint Venture has otherwise been terminated and dissolved and its business and affairs wound up, which claims or legal action relate to or arise out of this Agreement, or the performance and completion of the Work, this Agreement shall nevertheless be considered to have remained in full force and effect and the rights and obligations of the Parties with respect to the resolution of such matters shall be determined by this Agreement.

(d) Except as otherwise specifically set forth herein, no Party shall have any right to withdraw or disassociate from the Joint Venture.

1.8 Title to Joint Venture Property. Title to all Joint Venture property, including all money, equipment, materials, supplies and other property acquired by the Joint Venture, shall be held in the name of the Joint Venture. No Party shall individually have any ownership interest or rights in the Joint Venture property, except, indirectly by virtue of such Party's ownership of an interest in the Joint Venture. No Party shall have any right to seek or obtain a partition of the Joint Venture property, nor shall any Party have the right to demand or receive specific assets of the Joint Venture upon the liquidation of or any distribution from the Joint Venture.

1.9 Party Obligations. Except as otherwise provided herein, each Party agrees to fulfill any obligations of the Prime Contract that by their nature can only be fulfilled by an individual Party as opposed to the Joint Venture.

ARTICLE 2

2. BID AND AWARD.

2.1 Bid and Award. The Bid, if made, and the Prime Contract, if awarded to the Joint Venture, shall be made and entered into in the name of Kiewit/Massman/Traylor Constructors, a Joint Venture. The Prime Contract, if awarded to the Joint Venture shall be carried out and performed by the Parties in the name of the Joint Venture.

2.2 Withdrawal Prior to Bid. The Parties intend that the Bid, including the terms of the Prime Contract, will be acceptable to each and all of them. If the Bid is not acceptable to any Party or Parties, they may withdraw from the Joint Venture, which withdrawal will be treated as a disassociation of such Party from the Joint Venture. The withdrawing Party or Parties cannot otherwise participate in bidding or proposing to the Owner for the Project without the written consent of all other Parties. The remaining Party or Parties are free to continue the Joint Venture and submit a bid or dissolve the Joint Venture and submit a bid in the same name or in a new name. A Party that withdraws prior to the Bid shall not be entitled to any further participation in the profits, management or otherwise of the Joint Venture.

2.3 Costs and Expenses. Each Party shall individually bear all costs it may incur in securing the award of the Prime Contract and no reimbursement of any Bid and pre-award costs will be made to any Party by any other Party or by the Joint Venture, unless otherwise agreed in writing. If a stipend is provided by the Owner, the Parties will share the stipend in accordance with their Share of Profits.

2.4 Related Agreements. The Parties shall from time to time execute such bonds and indemnity agreements, including applications therefor, and other documents as may be necessary in connection with the performance and completion of the Work. It is the intent of the Parties that if performance and payment bonds are required by the Prime Contract, they shall be executed by a surety (or co-sureties) with a surety relationship with each Party.

ARTICLE 3

3. ALLOCATION OF PROFITS, LOSSES AND DISTRIBUTIONS.

3.1 Share of Profits. Except as otherwise provided in Article 7, the interests of the Parties in any profits, and their beneficial interest in all property and equipment acquired and all moneys received in connection with the performance and completion of the Work ("Share of Profits") shall be as follows:

| <u>Party</u> | <u>Percentage</u> |
|--------------|-------------------|
| Kiewit | 51.0% |
| Massman | 24.5% |
| Traylor | 24.5% |

3.2 Share of Losses. The interest of the Parties in any losses and liabilities that may result from the performance and completion of the Work ("Share of Losses") shall be those percentages as set forth in Section 3.1. Notwithstanding the foregoing or anything in this Agreement to the contrary, in the event the profits of the Joint Venture are insufficient to fully repay all "Working Capital Loans" (as defined in Section 7.3(c)) and all interest due thereon, and such monies are not recovered from each "Defaulting Party" (as defined in Section 7.1) to which such Working Capital Loans have been made, the Parties without Working Capital Loans shall each bear the proportionate share of a Defaulting Party's deficiencies that their Share of Losses bears to the total Share of Losses held by the Parties without Working Capital Loans.

3.3 Reimbursement. If for any reason a Party sustains any liabilities or is required to pay any losses arising out of or directly connected with the performance or completion of the Work, or the execution of any surety bonds or indemnity agreements in connection therewith, which are in excess of its Share of Losses, each of the other Party or Parties shall promptly reimburse such Party the amount of the losses paid and/or liabilities assumed by such Party that are in excess of such Party's Share of Losses, so that immediately after such reimbursement, each Party will have paid the proportionate share of any such amounts equal to its Share of Losses.

3.4 Indemnification. To further assure the intent of this Article 3, each of the Parties agrees to indemnify all other Parties against, and to hold all other Parties harmless from, any and all losses and liabilities arising out of the performance and completion of the Work that are in excess of such Party's Share of Losses. The provisions of this Section 3.4 shall be limited to losses and liabilities that are directly relating to, or arising out of, the performance and completion of the Work or the execution of any bonds or indemnity agreements in connection therewith, and shall not relate to or include any incidental, indirect or consequential losses or liabilities that may be sustained or suffered by a Party.

3.5 Setoff. Each of the Parties hereto (the "Exercising Parties") and the Joint Venture, acting on behalf of the Exercising Parties, shall have the absolute right to set off any and all distributions of profits and/or Joint Venture assets or returns of "Working Capital" (as defined in Section 6.1), due any other Party (the "Other Party") pursuant to this Agreement or any other agreement involving any or all of the Exercising Parties or any of their affiliates or subsidiaries and the Other Party or any of its affiliates or subsidiaries, referred to herein as the "Other Agreements", against all amounts due to the Exercising Parties or any of their affiliates or subsidiaries by the Other Party or any of its affiliates or subsidiaries pursuant to this Agreement or any Other Agreement (including amounts representing a "Working Capital Loan" as defined in Section 7.3(c)).

3.6 Recoupment. Each of the Parties hereto (the "Recouping Parties") and the Joint Venture, acting on behalf of the Recouping Parties, shall have the absolute right to recoup any and all amounts due from a "Defaulting Party" (as defined in Section 7.1) pursuant to this Agreement or any Other Agreement involving any or all of the Recouping Parties or any of their affiliates or subsidiaries and the Defaulting Party or any of its affiliates or subsidiaries against all amounts due the Defaulting Party pursuant to this Agreement or any Other Agreement involving any or all of the Recouping Parties or any of their affiliates or subsidiaries and the Defaulting Party or any of its affiliates or subsidiaries.

3.7 Employee Claims. Except to the extent insurance coverage is provided under the Joint Venture Insurance Program described in Exhibit A, each Party (the "Employing Party") agrees to protect, defend, indemnify and hold the Joint Venture and each other Party, their respective agents, officers, directors and employees free and harmless from and against any and all claims, losses, cost, demands, suits and causes of action and every other claim or litigation (including all costs thereof and attorney's fees) of every kind and character which may be brought against each other Party and the Joint Venture by any employee of the Employing Party performing services for the Joint Venture but not actually placed on Joint Venture payroll. Each Party shall waive and/or require its insurers to waive subrogation against each other Party and the Joint Venture for liability assumed by each of the Parties above.

ARTICLE 4

4. POLICY COMMITTEE.

4.1 Establishment. The management of the Joint Venture shall be conducted pursuant to policy established by the Parties acting through a committee ("Policy Committee") which is hereby established.

4.2 Representatives. (a) Each Party shall have one vote on the Policy Committee. For such purpose each Party hereby designates the following representatives to exercise such vote:

| <u>Party</u> | <u>Representatives</u> | <u>Alternates</u> |
|--------------|------------------------|---------------------|
| Kiewit | Keith Sasich | Randy Sanman |
| Massman | Keith Jacobson | Henry Massman |
| Traylor | Tom McCarthy | Christopher Traylor |

(b) Except as provided in Section 4.2(c) below, upon the occurrence of any "Event of Default" (as defined in Section 7.1), the Defaulting Party's representative on the Policy Committee shall have no right to participate in the affairs of the Joint Venture or vote on the Policy Committee. All acts, consents and decisions with respect to the performance and completion of the Work shall thereafter be taken solely by the remaining Party or Parties. Subject to the satisfaction of the non-defaulting Party's or Parties' obligations specified in Section 7.3(c), the votes of the Defaulting Party on the Policy Committee shall be allocated to the non-defaulting Party or Parties, in the same ratio as each non-defaulting Party's Share of Profits relates to the total Share of Profits of the non-defaulting Parties.

(c) Subject to the approval of the non-defaulting Parties, after the occurrence of an Event of Default by a Defaulting Party resulting from a breach of its obligations specified in Section 6.1, a Defaulting Party's representative(s) on the Policy Committee may once again be entitled to participate in the affairs of the Joint Venture and vote on the Policy Committee, but only after either (i) all of the "Working Capital Loans" (as defined in Section 7.3(e)) and interest have been paid by the Defaulting Party, or (ii) distributions by the Joint Venture to the non-defaulting Parties have included repayment of all Working Capital Loans and interest; provided, however, that in such event the Defaulting Party shall only be entitled to the number of votes equal to its remaining Share of Profits, as adjusted and determined pursuant to Section 7.3.

4.3 Alternate Representatives. Each Party may, at any time, substitute an alternate in place of any of its above-named representatives by serving written notice to all the other Parties. Each Party's representative or alternate representative on the Policy Committee is hereby granted and shall hereafter possess authority to act for such Party on all matters of interest to it with respect to its participation in the Joint Venture.

4.4 Voting. The parties intend that all decisions of the Policy Committee should be unanimous, if possible. If the parties are unable to reach a unanimous decision the policy in question will be decided by majority vote provided, however, that the policy issue in question may, at the election of any Party hereto, be referred to the Chief Executive Officer level of each of the parties for Resolution.

the Party whom the representative has been designated to represent, and shall not constitute an expense of the Joint Venture.

ARTICLE 5

5. RIGHTS AND DUTIES OF THE PARTNERS: DELEGATION OF AUTHORITY.

5.1 Managing Party. Kiewit is hereby designated as the Managing Party. The Managing Party shall appoint an individual to act as the project manager for the Joint Venture (the "Project Manager").

(a) Kiewit, as the Managing Party, may have corporate purchasing programs with certain vendors of supplies, equipment and materials that entitle the Joint Venture to base discounts on items purchased by the Joint Venture. These discounts, when available, will be indicated on direct invoicing to the Joint Venture..

5.2 Delegation of Authority. Any delegation of authority to any Party or individual or individuals may be revoked by the Policy Committee; provided, however, that if the authority of the individual serving as Project Manager is revoked, the Managing Party shall have the right and obligation to appoint another individual to serve in that capacity.

5.3 Authority to Bind. No Party or individual shall have authority to act for or bind the Joint Venture or the other Parties except in connection with the performance and completion of the Work, and then only pursuant to authority delegated according to the provisions of this Agreement.

5.4 Tax Matters Partner. For federal income tax purposes, the Managing Party shall be deemed the "tax matters partner". For income tax purposes, notwithstanding any other provision of this Agreement, the tax matters partner shall determine the allocation of items of taxable income, losses, and other relevant items in compliance with applicable tax laws consistent with the economic arrangements of the Parties.

ARTICLE 6

6. WORKING CAPITAL REQUIREMENTS.

6.1 Determination of Amounts. The Policy Committee shall determine the amount of capital required to carry out the performance and completion of the Work and to pay for any losses or liabilities resulting therefrom, said amount herein referred to as "Working Capital." Upon such determination, each Party shall contribute the percentage of such Working Capital that is equal to its Share of Losses whenever requested to do so by the Policy Committee. Such contribution shall be made within ten (10) days after request therefor. The Working Capital of a non-defaulting Party shall include any Working Capital Loans deemed made by such non-defaulting Party pursuant to Section 7.3(e).

ARTICLE 7

7. EVENTS OF DEFAULT; ELECTION OF REMEDIES; REMEDIES.

7.1 Events of Default. Each of the following will be considered an event of default ("Event of Default") by a Party ("Defaulting Party"):

(a) Any material breach of a Party's obligations under this Agreement, including, but not limited to:

(i) a Party's failure to promptly contribute its required amount of Working Capital in accordance with the Agreement,

(ii) a Party's attempted assignment, transfer and/or delegation (whether or not such attempt is held valid and binding) of all or any portion of its rights or obligations under this Agreement or the Prime Contract; or (iii) the inability of a Party to obtain the signature of its surety on all bonds required of the Joint Venture for the Project.

(b) Any post-Bid act of disassociation of a Party without the consent of the other Parties.

(c) The following insolvency Events of Default ("Insolvency Event of Default"):

(i) a Party's voluntarily filing of a petition or commencing other proceedings seeking reorganization, liquidation, arrangement or other similar relief under any federal or state law relating to bankruptcy or insolvency;

(ii) a Party's seeking, consenting to or acquiescing in the appointment of a receiver, liquidator, assignee, trustee, sequestrator or other similar official for itself or for a substantial part of its property;

(iii) a Party's making of an assignment for the benefit of creditors;

(iv) a Party's being adjudged a bankrupt or insolvent, or inability to pay its debts generally as they become due;

(v) a Party's consent to the commencement or continuation of bankruptcy, reorganization, liquidation, insolvency or similar proceedings against it or a Party's filing an answer or other pleading admitting or failing to contest the material allegations of a petition filed against the Party in any proceeding of this nature; or

(vi) a Party's failure, within 90 days after commencement, to have dismissed any proceeding against it seeking reorganization, liquidation, dissolution or similar relief under any statute, law or regulation, or failing within 90 days after the appointment without the Party's consent or acquiescence, to have vacated or stayed the appointment of a trustee,

Joint Venture Agreement
Kiewit/Massman/Traylor Constructors

receiver or liquidator of the Party or all or any substantial part of the Party's properties, or failing, within 90 days after the expiration of any stay, to have the appointment vacated.

(d) Any material misrepresentation of a Party's financial position presented to the Parties in conjunction with the formation of this Agreement.

The occurrence of an Insolvency Event of Default shall be an act of wrongful disassociation from the Joint Venture on the part of the Defaulting Party. It shall not cause the Joint Venture to terminate, dissolve, wind-up, liquidate or be the subject of any other similar events or proceedings except as otherwise allowed. The Joint Venture may continue in existence even in the event of one remaining non-defaulting Party.

7.2 Election of Remedies. Upon any Event of Default, the Policy Committee may elect the remedies outlined in Sections 7.3, 7.4, 7.5, as applicable, or any other remedy allowed by law. The remedies of the Parties set forth herein with respect to an Event of Default are in addition to, and not in derogation of, any other rights or remedies which any Party may otherwise have at law or equity. In addition, the election of one or more of the remedies specified above with respect to any Event of Default shall not preclude the election of the same or a different remedy upon the occurrence of a subsequent Event of Default. In the event that for any reason any of the remedies outlined in this Article 7 are not enforced, the other remedies and any remedy allowed by law, to the extent applicable, shall be available.

7.3 Remedies for Failure to Contribute. If a Defaulting Party fails to contribute its share of Working Capital as specified in Section 6.1, the Policy Committee may elect the following remedy upon notice to the Defaulting Party:

(a) A Defaulting Party's Share of Profits shall be decreased, and the other Parties Share of Profits shall be increased proportionately, so that the respective interests of the Parties in the Joint Venture profits shall be in the same proportion as their Working Capital actually contributed.

(b) A Defaulting Party's share in Joint Venture losses shall in all events remain the same as the Defaulting Party's Share of Losses, and nothing contained in this Agreement nor any events hereafter occurring shall under any circumstances reduce a Defaulting Party's Share of Losses.

(c) The non-defaulting Parties may mutually agree as to the amount of Working Capital that each will contribute to make whole the deficiency created by a Defaulting Party; provided that in the event the non-defaulting Parties are unable to so agree, such amount shall be treated as a request for Working Capital by the Policy Committee and each non-defaulting Party shall contribute a portion of such amount in the same ratio as their Share of Profits relates to the total Share of Profits of the non-defaulting Parties. Failure to make such payment shall constitute an Event of Default.

(d) Reduction in a Defaulting Party's Share of Profits and increases in the Share of Profits of the other Parties shall be calculated as of the time of each Event of Default. The Defaulting Party's Share of Profits will not be reinstated under any circumstance.

(e) Any contributions made by the non-defaulting Parties to the Joint Venture to make whole the deficiency created by the Defaulting Party shall be deemed a loan made by the non-defaulting Parties to the Defaulting Party ("Working Capital Loan(s)"), which loan shall at all times from and after the date such Working Capital Loan is made be immediately due and shall be payable on demand and bear interest, compounded daily, at an annual rate of three percent (3%) above the prime rate of interest published from time to time in *The Wall Street Journal* (but not to exceed the maximum allowed by law). Interest shall be payable to the Joint Venture for the account of the non-defaulting Parties. Upon the making of a Working Capital Loan the right of the Defaulting Party or any of its affiliates or subsidiaries to profits and return of Working Capital shall be deemed assigned to the non-defaulting Parties in an amount equal to the sum of such Working Capital Loans made to the Defaulting Party and any of its affiliates and subsidiaries by the non-defaulting Parties, including accrued interest, until the Working Capital Loan(s) and accrued interest are fully repaid.

(f) Any unpaid Working Capital Loans, including all interest thereon, shall be deducted from any distributions due a Defaulting Party and, if upon final settlement of the Joint Venture accounts, such amounts otherwise due a Defaulting Party are insufficient to meet such deduction, a Defaulting Party shall, on written demand of the non-defaulting Parties, pay such deficiency to the Joint Venture for the account of the non-defaulting Parties. The non-defaulting Parties shall be entitled to receive the greater of the interest above described upon the Working Capital Loan or the amount by which they received additional profit due to the increase in their Share of Profits, as described in Section 7.3(a) above, but not both.

(g) Any distributions of Working Capital, Joint Venture assets and/or profits otherwise distributable to a Defaulting Party shall first be applied to the payment of the interest due the non-defaulting Parties, then to the payment of the Working Capital Loans to the accounts of the non-defaulting Parties who made such Working Capital Loans, then to the non-defaulting Parties for their Working Capital contributed at or subsequent to the Event of Default by the Defaulting Party, before any distributions of Working Capital, Joint Venture assets and/or profits are made to the Defaulting Party.

(h) A Defaulting Party shall have no right, title or interest in any Working Capital, assets or profits until such time as all payments to the non-defaulting Parties or to the Joint Venture for distribution to the non-defaulting Parties is made, as provided in Section 7.3(g).

(i) Notwithstanding any provision in the Agreement to the contrary, the Parties making Working Capital Loans may, at any time, bring suit in a court of competent jurisdiction against the Defaulting Party for payment of the Working Capital Loans and any interest due thereon and shall, in addition, be entitled to recover reasonable attorney fees and such other relief that may be granted by the court.

7.4 Purchase of Defaulting Party's Interest. The Policy Committee may, upon the providing of written notice to the Defaulting Party, elect the following remedy upon an Event of Default:

(a) The Defaulting Party shall cease to have any interest in or rights with respect of the Joint Venture and this Agreement, other than the rights provided for by Section 7.4(b) and the obligations

Joint Venture Agreement
Kiewit/Massman/Traylor Constructors

provided for by Section 7.4(c) hereof. This Agreement shall continue in full force and effect as among all remaining non-defaulting Parties; and to the extent that there is only one remaining non-defaulting Party, this Agreement shall continue to govern the business and affairs of the Joint Venture and the remaining Party's rights, obligations and powers as to the Joint Venture.

(b) Within sixty (60) days from the date of written notice by the Policy Committee of the election of the remedy of this Section 7.4, the Policy Committee shall prepare a detailed cost report as of the date of the Event of Default. The cost report will be used to determine the job profit/(loss) earned or incurred at the date of the Event of Default. The purchase price shall be the Defaulting Party's Share of Profit in such earned profit, if any, adjusted to reflect any unpaid amounts owed by the Defaulting Party to the other Parties or to the Joint Venture. In all cases where an Event of Default occurs prior to submission of the Bid, the purchase price of the Defaulting Party's interest will be \$0. Each of the non-defaulting Parties shall purchase a portion of the Defaulting Party's interest in the Joint Venture that is in the same ratio that the non-defaulting Party's Share of Profit bears to the total Share of Profit held by the non-defaulting Parties. In no event will any payment be made for anticipated or unearned profits of the Joint Venture. Failure to make such purchase by a non-defaulting Party shall constitute an Event of Default as if such Party had failed to contribute its share of Working Capital.

(c) The Defaulting Party shall be charged with, and shall remain liable for, any and all losses that may be suffered by the Joint Venture, or any additions or supplements thereto or modifications thereof, to the full extent of the Defaulting Party's Share of Losses, Working Capital Loans and any interest due to the non-defaulting Parties to the full extent of the provisions set forth in Section 7.3 above. Such liability shall cease, however, upon purchase of the Defaulting Parties' interest as provided in this Section 7.4.

7.5 Other Remedies. The Policy Committee may elect to terminate and dissolve the Joint Venture and wind up its business and affairs, and the Defaulting Party shall be charged with, and shall continue to be liable for, any and all losses that may be suffered by the Joint Venture under the Prime Contract, or any additions or supplements thereto or modifications thereof, to the full extent of the Defaulting Party's Share of Losses and any Working Capital Loans and any interest due to the non-defaulting Parties to the full extent of the provisions set forth in Section 7.3 above. The Defaulting Party will have no right to distribution of any profits or assets of the Joint Venture.

ARTICLE 8

8. SECURITY AGREEMENT AND COLLATERAL.

8.1 Security Agreement. To secure the prompt and complete (a) payment of their respective shares of Working Capital including, without limitation, any Working Capital Loans, including any interest thereon; and (b) the performance by the Party of its commitments, undertakings and other agreements, under this Agreement and the Prime Contract, each Party hereby assigns, pledges and grants to the other Parties a continuing security interest in and to the Collateral, as defined in Section 8.2, whether now owned or existing or hereafter acquired, and wherever located. 9.1 Establishment of Bank Account. All contributions of Working Capital made by the Parties, all Working Capital Loans, and all other funds received by the Joint Venture in connection with the performance and completion of the Work (collectively the "Working Capital Funds") shall, subject to Section 9.3, be deposited in an account or accounts in such bank or banks as the Managing Party may designate which shall be separate from any bank accounts maintained by any Party.

9.2 Withdrawals. Withdrawals of Working Capital Funds may be made in such form and by such persons as the Policy Committee may from time to time delegate.
